

# DHC USA Inc. unveils creamy Germinated Brown Rice Potage

Delicious, savory soup complements growing Fine Foods lineup

**SAN FRANCISCO, Calif., February 1, 2007—**

DHC USA Inc., a distinguished provider of high-quality skincare products, makeup, and fine foods, introduces another tasty, unique treat for active people on the go. DHC's Germinated Brown Rice Potage blends Japanese germinated brown rice with select flavorful ingredients, including sweet potatoes and cream—resulting in a mild, creamy potage soup that makes a perfect meal or snack anytime. They're conveniently packaged in five single servings, so a hearty, hot entrée is always within reach.

“At only 61 calories per serving, our new potage soup is a perfect example of satisfying food without guilt,” states Akiko Klenk, Fine Foods Manager at DHC USA's headquarters in San Francisco. “The goodness of germinated brown rice—which is a naturally low-fat food boasting protein and thiamin—along with premium vegetable extracts is a winning combination.”

## Directions
