

# DHC USA Inc. announces age-defying Q10 Water Mist

Fight free radicals with a  
spritz of DHC's portable,  
antioxidant-rich toner

**SAN FRANCISCO, Calif., May 10, 2006—**

You want to safeguard and nourish your skin, but today's busy women don't always have time for a full skincare routine. DHC USA Inc., a distinguished provider of high-quality skincare products, makeup, and fragrances, has a perfect solution in new Q10 Water Mist. Beat the heat with this refreshing mist that includes the beneficial toning properties of coenzyme Q10—skin's own natural age-defying compound—to help promote hydration and skin preservation. The compact spray-bottle design allows you to easily take Q10 Water Mist with you to enjoy a refreshing spritz whenever, wherever. Achieving supple skin has never been simpler.

Just spray Q10 Water Mist 4–6 inches away from face. Apply liberally and repeat as often as desired. If using to set makeup, gently blot with a tissue after spraying. Q10 Water Mist is available at the special price of \$24.00 for 5 fl. oz. through June 30, 2006, and thereafter at its regular price of \$32.00.

“Q10 Water Mist is the latest addition to our popular Q10 series. It really refreshes and revitalizes my skin for a quick pick-me-up,” reports Hadrian Miguel, licensed esthetician at DHC USA's headquarters in San Francisco, California. Another great thing about Q10 Water Mist is that to tone and add back some moisture to your skin, you can either spray your bare skin directly or spritz it over your makeup.”

## DHC's Q10 Series

All of the products in DHC's Q10 series work synergistically to help fight the effects of environmental stresses and combat visible signs of aging. The series includes: Q10 Lotion, a toner that helps hydrate the skin; Q10 Milk, a light, milky gel that is great for daytime wear; and Q10 Cream, a daily moisturizer suitable for most skin types. Recent additions to the series are Q10 Mask, which features both aloe and olive leaf extracts, and Q10 Eye Cream, which targets fine lines and helps fight free radicals.

## Availability

DHC's Q10 Water Mist is available by catalog or through DHC's website. Whether ordering online or by phone, fax, or mail, customers can have their products delivered straight to their home or office. And with every purchase, customers may make four free selections from a wide variety of product samples, including our most popular product worldwide, Deep Cleansing Oil.

## About DHC

DHC Corporation is one of the world's leading manufacturers and marketers of more than 1,500 quality products, including skincare products, makeup, fine foods, vitamins, and more. The company was founded in Japan more than 25 years ago and now has offices in South Korea, Taiwan, Hong Kong, and the United States. It is one of the top five Japanese skincare companies and serves millions of customers globally, with annual worldwide sales approaching \$1 billion.
