## Exfoliate with Alpha Hydroxy

The No. 1 direct-mail skincare company in Japan, DHC creates olive oil-based skin-care products designed to “bring harmony to any skin type,” according to the company’s website. For softer, smoother skin, try DHC’s AHA Hand Revitalizer, Renewing Cream, and Body Silker. With alpha-hydroxy acids to deeply penetrate and exfoliate these products will help diminish fine lines and discoloration for fresher, younger-looking skin from head to toe. Available by calling (800) 342-2273; [www.DHCcare.com](http://www.DHCcare.com)
